INDUSTRY STRUCTURE, DEVELOPMENT

The industry is showing some improvement and your Directors are expecting better industrial development in the coming years.

SEGMENT-WISE PERFORMANCE

The company trades in a single business segment. The company has passed through a very unusual phase, any worthwhile comparison of performance between two periods would be inconclusive. There is yet a considerable scope for improvement.

OPPORTUNITIES AND THREATS

The company is taking maximum efforts to capitalize on business opportunities and further expects a better outlook in the coming years. The management has decided to alter the main objects of the Memorandum of Association, so as to enter a new market segment. The threats to the segment in which the company operates are pricing pressure arising due to competition from low cost suppliers, technology up gradation, severe competition and newly emerging competitive nations and stricter environment laws.

STRENGTH

The existing management has a strong technical, finance and administrative expertise in various industries and corporate sectors including the business of the company.

RISKS AND CONCERNS

The company is working essentially in global market place. However since the company is into trading activity It is attributed to all the risk and concerns attached with the trading industries as a whole.

INFORMATION TECHNOLOGY

The company constantly upgrades its technology both in terms of hardware and software. This also helped installing a good management information system for the management to get timely information for decision-making.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The internal control system is looked after by Directors themselves, who also looked after the day to day affairs to ensure compliances of guide lines and policies adhere to the management instructions and policies to ensure improvements in the system. The Internal Audit reports are regularly reviewed by the management. The company has proper and adequate internal control system commensurate with the size of the business operations geared towards achieving efficiency in its various business operations, safeguarding assets, optimum utilization of resources and compliance with statutory regulations. Efforts for continued improvement of internal control system are being consistently made in this regard.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The company values and appreciates the dedication and drive with which its employees have contributed towards improved performance during the year under review. The relations with workers and staff are cordial during the year under review. All issues pertaining to staff matters are resolved in harmonious and cordial manner.

CAUTIONARY STATEMENT

The statements in the Management Discussion and Analysis describing the company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the company operates, changes in the Government regulations, tax laws, and other statutes and other incidental factors.

Independent Auditor's Report

To
The Members of M/s PRISM MEDICO AND PHARMACY LIMITED

Opinion

We have audited the accompanying standalone financial statements of **M/s. PRISM MEDICO AND PHARMACY LIMITED** which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (statement of changes in equity), Cash Flow Statement for the year then ended, notes to the financial statements and a summary of significant accounting policies and other explanatory information. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid (Standalone) financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its Profit, (changes in equity) for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters except for the following:

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the

accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of the Standalone Financial Statements

Our responsibility is to express an opinion on these (Standalone) financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure-A**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of M/s. PRISM MEDICO AND PHARMACY LIMITED
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s **PRISM MEDICO AND PHARMACY LTD** (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The company’s management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that

receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025.

NOTE: 19 - NOTES ON ACCOUNTS & ACCOUNTING POLICIES
Forming part of Balance Sheet and Statement of Profit and Loss
For the Year ended 31st March, 2025

Note 19

A. SIGNIFICANT ACCOUNTING POLICIES:

The following disclosure of accounting policies is made in pursuance of the recommendation of the Accounting standards Boards of the Institute of Chartered Accountants of India on 'Disclosure of Accounting Policies'.

a) System of Accounting :

The company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 01st April 2017, with a transition date of 01st April 2016. The adoption of Ind As has been carried out in accordance with Ind AS 101, First Time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS Standards and interpretations that are issued and effective for the First Ind AS Financial Statements for the year ended 31st March 2018, be applied retrospectively and consistently for all financial years presented.

b) Fixed Assets and Depreciation:

Depreciation is provided on Written Down Value method assuming residual value as 5% over the useful lives of assets estimated by the management at the rates specified in Part C of Schedule II of the Companies Act, 2013 on Pro rata basis and the Assets having the Value up to Rs. 5,000.00 have been depreciated at the rate of 100%.

c) Basis of preparation:

Statement of compliance:

These Standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended notified under Section 133 of Companies Act, 2013, ("the Act") and other relevant provisions of the Act.

Functional and presentation currency:

These financial statements are presented in Indian Rs., which is also the Company's functional currency.

Historical cost convention:

The financial statements have been prepared under historical cost convention on accrual basis, unless otherwise stated. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

d) Current versus non-current classification:

The company presents assets and liabilities in the Balance Sheet based on current/non-current classification:

An asset is treated as current when:

- i) It is expected to be realized or intended to be sold or consumed in normal operating cycle;

- ii) It is held primarily for the purpose of trading;
- iii) It is expected to be realized within twelve months after the reporting Period; or
- iv) It is cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The Company classifies all other assets as non-current.

A liability is current when:

- i) The Company classifies all other liabilities as non-current';
- ii) Deferred tax assets and liabilities are classified as non-current assets and liabilities;
- iii) The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company recognises 12 month as its operating cycle for the purpose of current -non-current classification of assets and liabilities.

e) Valuation of Inventory:

FIFO method of Stock valuation has been adopted by the company. Stock of raw material, stores and spares are valued at cost whereas stock of finished goods is valued at cost or net realisable value whichever is lower. There is no change in inventory during this year as company is involved in trading activities.

f) Events Occurring After the Valuation Date:

Events occurring after the date of Balance Sheet, are considered up to date of finalisation of accounts, where ever material.

g) Use of Estimates:

The preparation of the financial statements in conformity with IND-AS requires management to make estimates and assumption that affect the reported balances of assets and liabilities and disclosure relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include computation of percentage of completion which requires the company to estimates the efforts or cost expended to date as a proportion to date as a proportion of the total efforts or costs to be expended, provisions for doubtful debts, future obligation under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

h) Recognition of Income and Expenditure:

- i) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company, the significant risks and rewards of ownership have been transferred to the buyer and the revenue can be reliably measured in compliance with IND AS-18.
- ii) Sales are recognised as & when the goods are supplied and net of GST. However rebate & discount is being separately shown as other income.
- iii) Expenses are accounted for on accrual basis and provision is made for all known losses and expenses.

i) Employee's Benefits:

The retirement benefits of the employees include Gratuity, Provident Fund and Contribution to the PF is provided on Accrual basis. No Provision has been made for employee benefits.

j) Cash Flow Statement:

Cash Flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated. The company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

k) Income Tax:

Income tax is recognized in the statement of income except to the extent that it relates to items recognized directly within equity or in other comprehensive income. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially-enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the period in which MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent it is not reasonably certain that the company will pay normal income tax during the specified period.

l) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets**Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e. the date that the company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- i) Debt Instruments at amortized cost;
- ii) Debt Instruments, derivatives and equity Instruments at fair value through profit /loss (FVTPL);
- iii) Debt Instrument at fair value through other comprehensive Income (FVOCI);
- iv) Equity Instruments measured at fair value through Other comprehensive income (FVOCI).

B. NOTES ON ACCOUNTS:

1. Previous year figure have been re-grouped / re-arranged / re-caste wherever considered necessary, to suit the current year's layout as per the performa of Revised Schedule III.

2. In the opinion of the Board, the current assets, loans and advances have a value on realisation in the ordinary course of business atleast equal to the amount at which they are stated in the balance sheet and that the provision for known liabilities are adequate and not in excess of amount reasonably necessary.

3. EPS CALCULATION

Basic earnings per share

Basic earnings per share is calculated by dividing (A) the profit/(loss) attributable to owners of the company (B) by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- (a) the after income tax effect of interest and other financing costs associated with dilutive potential equity shares; and
- (b) the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity years.
